Come now John P. Polcastro Plaintiff
in the above styled case.

On August 11, 2006, the Court ordered
Defendants to send Plaintiff (LEGZBLA)
copies of all photographs taken of the Plaintiff
upon his arrest. The photos the Plaintiff
received were an insight to the Plaintiff and
to the court. The photos look like they were
taken from some E.T. movie. The Plaintiff
demands legible copies. As for the pictures
Dorothy Pence took. The Defendants have
them. The Plaintiff knows the Defendants are not
being truthful. The Plaintiff states he does not
have to LIE to win this case. The

Does not have to live to win this case. The Plaintiff asks us to never going to get any translated answers out of the Defendant.

That is why the Plaintiff requests the court speak to the Defendant attorneys and see if a settlement can be reached. The Plaintiff states he will be released from prison in March 2007 he lives in New York City. And he does not want to come back to the state of Alaska for any reason once he's released. The attorneys can come to the prison to speak to the Plaintiff.

At this time the Plaintiff thanks the court for all its help.
